Pro Cricket Academies

Pro Cricket Academies

Pro Cricket Academies has been set-up by Brad Donelan a Lancashire Scout, a freelance ECB Level 3 coach, a former professional cricketer with Sussex and Somerset CCC and former Cricket Professional at Birkenhead and Uppingham Independent schools. He has also been head coach at Loughborough University coaching both the men's & women's to Busa Championships. Players from u11 to Adults will train with similar ability players to raise the standard of their performance. Bowling machine, side arm, strength & conditioning and SAQ (speed agility and quickness) equipment will be used to develop all cricketers. They will also work on their decision making processes in live nets and 1to1 side arm sessions. A video camera will record their performance and the footage uploaded to youtube so the player, family and friends can view it in the comfort of their own home. Due to Kings School Covid-19 restrictions imposed upon us we are only allowed 15 participants in the hall at any one time. 17 including the two coaches. No parents are allowed inside the facility and there will be no changing rooms available so players will need to come changed and your kit will have to come into the hall. We do have use of a toilet.
