Pro Cricket Academies

Pro Cricket Academies?

Pro Cricket Academies has been set-up by Brad Donelan a Lancashire Scout, a freelance ECB Level 3 coach, a former professional cricketer with Sussex and Somerset CCC and former Cricket Professional at Birkenhead and Uppingham Independent schools. He has also been head coach at Loughborough University coaching both the men's & women's to Busa Championships. Players from u9 to Adults will train with similar ability players to raise the standard of their performance. Bowling machine, side arm, strength & conditioning and SAQ (speed agility and quickness) equipment will be used to develop all cricketers. They will also work on their decision making processes in live nets and 1to1 side arm sessions. A video camera will record their performance and the footage uploaded to youtube so the player, family and friends can view it in the comfort of their own home. Due to timing restrictions I am unable to offer a men's session on the Wirral at this venue. The Men's session runs in Chester. This venue is weather dependant so please watch the WhatsApp group for cancellations. A credit or refund will be issued if a session is cancelled. Please let me know if you want to be added to my WhatsApp group.
