Dear Brad

Thank you so much for your extremely kind donation of £1100 towards the work here at Charles Thompson's Mission.

We want to thank the Pro Cricket Academy Community for their fantastic support.

With Covid-19, we find ourselves in strange times. While our services to the local community look rather different, the vital work of the Mission has continued through lockdown and will continue helping those who are struggling.

Please know that your gift will be put to very good use, helping people living in poverty in our community.

Thank you so much.

Every blessing

Bernie Frost
